

Safe School Helpline

What is the help line and how does it work?

- This program is designed so that students, parents, staff, and community can report threats of violence, suicide, and illegal activity that could harm children in our school.
- The program allows communication on issues that would have previously gone unreported, resulting in the reduction of wrongdoing and school abuse.
- Communication is private, confidential, and anonymous because the service is being provided through an independent company with no ties to the District.
- A toll-free number has been assigned to the Brookfield Local Schools. Once the call is made, you will be advised how to leave your information.
- Each caller is assigned and given a specific case number.
- A report can also be made by internet at www.safeschoolhelpline.com.
- Any facts, remarks, or actions that could jeopardize the safety of our children, staff, or school should be reported.
- Examples of harmful or threatening behavior might include:
 - bullying
 - violence
 - theft
 - drug or alcohol abuse
 - talk of suicide
 - sexual harassment
 - weapons
- Once the call has been made, a typed copy of your message, without your identifying information, will be sent to the school.
- The School will investigate the report and determine how best to act on it.
- After three days (3), the caller can find the action that was taken by calling the toll-free number and entering the case number when prompted.

To make a report call
1-800-4-1-VOICE ext 359
(1-800-418-6423, Ext 359)
