

STAND-OUT SENIOR CRITERIA

Seniors who meet the below-listed criteria will be considered “Stand-Out Seniors”. As a **reward**, “Stand-Out Seniors” will be exempted from each class’s final exam in which these guidelines are met.

Criteria

- No suspensions from school.
- Have **five** (5) or less absences from a semester course OR **ten** (10) or less absences from a full-year course. All absences other than those marked MISC. or FIELD TRIP are counted against the student.
(This is NOT the same as *excused* and *unexcused* absences.)
- Students will be allowed **3** college visits-documentation of visit must be provided to the office upon return.
 - Maintain an **85%** average or better in the class during the current quarter.

Students are reminded that “Stand-Out Senior” status is a reward!

Technically, *all* senior students are required to take final exams. Students should not feel that taking final exams is a punishment; rather, it’s a consequence of failing to meet the above-listed criteria.
