

Brookfield Middle and High School Art Supplies- Mrs. Bain-314

Due to the covid virus it is best practice for students not to have to share art supplies. I am asking students to have their own basic supplies in a pencil pouch that they will bring to class each day. For those who cannot purchase these, there will be some individual supplies in ziplock bags for students to borrow for the grading period for in class work. The following items should be included:

- 1- Pencil pouch to hold all of the following supplies (please mark with students name)
- 2- #2 pencils
- 3-one shading pencil- 4B or 6B-(Michaels has them)
- 4- eraser
- 5-hand pencil sharpener-(for soft lead shading pencils and colored pencils)
- 6-one black Sharpie marker-fine and/or extra fine
- 7-set of 12 colored pencils
- 8-small ruler
- 9-scissors
- 10-set if 12colored markers, washable or Sharpie permanent, or box of crayons
- 11-glue stick

Students will be making a drawing sketchbook in class but students may need a drawing sketchbook at home for online assignments.

Any supplies that are shared will be disinfected before being used by someone else.
