Good Mental Health is a New. Beginning

Behavioral Healthcare
& Counseling

Mission

The PsyCare Professional Staff and Board of Directors have adopted the following mission statement:

The mission of PsyCare is to enhance and promote the mental, physical, and emotional well-being and optimal social functioning of all persons. This mission is accomplished by providing a comprehensive and integrated continuum of outpatient behavioral healthcare, coordinated physical healthcare, and related services.

PsyCare, Inc. began operation in October, 1985 and currently operates nine satellite offices in the Youngstown-Warren and East Liverpool, Ohio areas.

How to Access Services

To make an appointment, call the PsyCare clinic of your choice. Specific information about each clinic is located on the back of the brochure.

Referrals are accepted from individuals, families, physicians, hospitals, agencies, schools, attorneys, clergy, etc. General clinic hours are from 9:00 a.m. to 5:00 p.m., Monday thru Friday. Evening and Saturday appointments can be arranged through the individual clinic.

Each clinic offers individual and family counseling for patients of all ages who need mental health, psychiatric, and chemical dependency services. Specific clinics have specialized services.
